## **WHAT IS A VETERAN?**

**A veteran is a person who fell in love with their country -- for better, for worse -- for richer, for poorer -- in sickness and in health.**

**A veteran is a person who is willing to lay down their life for the Statue of Liberty so that her poor, her huddled masses, her homeless, her tempest tossed may breathe free and may enjoy life, liberty, and the pursuit of happiness.**

**A veteran is a person who does what he/she must -- in spite of personal consequences -- in spite of obstacles and dangers and pressures -- for that is the basis of all human morality.**

**A veteran is one who gets a lump in the throat when he/she sees our beloved flag. One who will fight to protect our beautiful flag from those who dare to dishonor it.**

**A veteran is one who pays their taxes, willingly; serves their country, honorably; and cherishes their freedom, passionately.**

**A veteran is one well deserving of our appreciation, our love, and our prayers 365 days a year.**
